Smart Lock

Fingerprint, black

With a smart lock you can leave your keys behind. Pin, key-tag-app (requires a Heimgard Hub) or keys. Did you remember to lock the front door? Welcome to a keyless everyday life. With a smart lock installed, you can leave your keys and worries behind. Several unlocking methods (even directly from your phone when connected to a Heimgard hub). Physical keys are also included for emergency use. DIY installation for both right and left hinged doors. Supports auto-lock on closing and optional vertical positioning of the interior handle to prevent pets and children from unlocking the door themselves.
