

## TECHNICIAN POUCH | TB-CT-22

The ToughBuilt® Technician Pouch transforms how professional technicians carry tools. The patented ClipTech® Hub allows the pouch to clip on and off any belt so it is carried only when it is needed or when it is the only thing you need.

This pouch has 11 pockets and loops, including 4 pockets designed specifically for long-handled tools making it perfect for smaller jobs. Works great alone, or enhances any ClipTech® toolbelt. With rugged construction and heavy-duty rivet reinforcement this reliable pouch withstands the most rigorous working conditions.
