

COMPACT LOW-PROFILE ORGANISER | TB-B1-O-10C

The ToughBuilt® StackTech® Compact Low-Profile Organiser is engineered for Pros to build a system unlike any other and customise it to the needs of every trade.

The StackTech Compact Low-Profile Organiser is built to keep Pros sorted and working smarter and more efficiently. It fits on top of any StackTech toolbox automatically locking into place for transport, and easily unlocks with the push of a lever. Viewing the contents and accessing the organiser is simple and intuitive with a see-through top and one-handed center latch. Inside, you'll find six 5cm deep bins and six dividers offering ample capacity to help Pros stay organised and partition their space.
