## Mova 1000 & Mova 600

Enjoy the grace of wire-free mowing

UltraView™ Environmental Sensing Technology

Easy and Fast Wire-Free Setup

Smart Obstacle Avoidance

Efficient Systematic U-Shaped Cutting

Quiet Operation

Quick and Accurate Mapping

Enhanced Mobility with Off-Road Wheels

Smart App Assistant for Map & Mowing Management

### Ultra Sensing, Ultra Simple

Mova 1000/600 features high-precision with exceptional environmental sensing, making it easy to maintain a neat and tidy yard without complicated boundary setups.

### Dual Maps & Multiple Zones in One Mower

Mova 1000/600 offers dual-map management for separate yards, allowing customizable care with multi-zone and no-go zone options via the MOVAhome App.

### Precision Detection, Secure Avoidance

Mova 1000/600 ensures a safe mowing experience with sensors and outdoor algorithms that detect and avoid yard objects and pets within set boundaries.

### Highly Mobile, Durable, and Lawn-Friendly

Mova 1000's durable off-road wheels deliver superior traction, minimizing slipping and lawn damage for a smoother mowing experience.
