

THE AWARD WINNING BRAND OF Meaco AIR TREATMENT SOLUTIONS

ARETE ONE DEHUMIDIFIERS/AIR PURIFIERS

			•	<u> </u>
Model	10L	12L	20L	25L
What others say	"Excellent dehumidifier, recommend one to everyone"	"Small, efficient, quiet & good looking, what is there not to like!"	"Absolutely brilliant, fantastic!"	"It's hard to overstate just how much better this product is than my old dehumidifier"
What it does	Keeps small apartments & spaces dry	Perfect for drying spaces of around 50m ²	20L extraction & a HEPA filter to clean the air	25L extraction, laundry drying & a HEPA filter to clean the air
Why customers love it	Very quiet, beautifully designed	Quiet with very low energy consumption, HEPA filter helps to clean the air too	Powerful yet quiet, air treatment solution for small to large houses	Great for drying laundry & for drying out really damp spaces
Anything else special?	Has a premium feel which is backed by a 5 year warranty	Designed specially for the European climate	The modern design helps it stand out against the crowd	Optional pump for use, when emptying the tank is not possible

ARETE ACCESSORIES

Arete Filters

"Brilliant, the room is

fresher & cleaner"

Either HEPA or Charcoal

filters for all variations of

the Arete range

Clean air all year round

with either a H13 HEPA

filter or a high grade

Charcoal filter

One free HEPA filter with

all dehumidifiers, they are

then available to buy in

packs of three

"A solid solution to

a real problem.

thank you Meaco"

Allows the Arete One 10L

& 12L dehumidifiers to be

wall mounted

Solves an application

problem that many

customers were

desperate to sort

Vibration dampers

prevent the movement

from the compressor

from reverbing through

the wall

"The fitting & use of

the pump is fab"

Can be used with either

the Arete 20L or 25L

dehumidifiers to drain

the tank automatically

up to 3m high

It solves a frustrating

problem for garages,

remote storage areas

& laundry rooms

It takes it's power from

the dehumidifier so no

technical knowledge

is required to use it

WALL MOUNTING

DEHUMIDIFIERS

Available in black or white

MeacoWall Range

"The most beautiful looking dehumidifier that we have ever seen, looks great in the pool hall"

Three wall mounted dehumidifiers available in white or black glass finish for swimming pool halls or larger spaces

Not only does it look great but it is also very quiet & energy efficient thanks to it's DC motor

all glass giving a eflective finish

Arete Wall Bracket Arete Pump

The reflective front is
