

## Rechargeable IP Camera | Outdoor | PIR Motion Sensor | microSD | 6000 mAh

### General information

This Nedis® rechargeable IP camera provides 100% flexibility, thanks to its waterproof housing (IP65) and no need for a power socket anywhere nearby. Footage is recorded to MicroSD, making the camera completely wireless.

Charge it, mount it in or outdoors and you're ready to use it as a security camera or keep a close eye on your sleeping child - simple as that.

This rechargeable IP camera has an integrated PIR sensor for accurate motion detection. If the sensor is triggered, the camera starts recording automatically, sending a push notification to your smartphone. This way, you can both see and hear what's going on in your home. The app also allows you to speak with the person in the room directly, from wherever you are.

### Features

- Rechargeable battery - no need for a nearby power socket
- Battery lifetime:
  - up to 4 months with 10 recordings per day
  - up to 10 months when kept in standby mode
- Waterproof housing (IP65) for indoor and outdoor use
- Integrated PIR sensor for accurate motion detection
- Push notifications on your smartphone if motion is detected
- 2-way communication - for video images with sound support and talk-back function

LED:	3
Lens:	2.5 mm
Viewing angle:	130 °

### Sales information

Order code:	<b>WIFICBO10WT</b>
Product description:	Rechargeable IP Camera   Outdoor   PIR Motion Sensor   microSD   6000 mAh
Packaging:	Giftbox with eurolock
Brand name:	Nedis

Quantity	LxWxH (mm)	Weight
1	65x125x140	430 gr.
6	215x135x290	2780 gr.
24	310x305x450	11780 gr.

## Rechargeable IP Camera | Outdoor | PIR Motion Sensor | microSD | 6000 mAh

Image chip:	1/4" CMOS
Operating temperature:	-20 - 50 °C
Megapixel:	2 MPixel
Battery capacity:	6000 mAh
Accessories:	Installation Material
Accessories:	USB-Cable
App available for:	Android™ & iOS
Compatible with:	Nedis® SmartLife
Input voltage:	5 VDC
Maximum resolution:	1080P
Colour:	White
IP rating:	IP65
Wireless technology:	Wi-Fi
Interface:	USB (Micro)
Power plug:	USB
Feature:	Accurate Motion Sensor (PIR)
Feature:	Rechargeable
Feature:	2-Way Audio
Feature:	Night Vision
Feature:	Metal
Storage type:	microSD
